Celebrities and career politicians won't fix California. I've solved problems all my life. Let's fix California. Vote YES on the recall and YES to John Cox. #CAGov #RecallNewsom <https://t.co/558PG6Q6Ta>

In Modesto talking about taxes, cost of living, water, wildfires, and homelessness. These aren't political problems. These are fixable management issues. Let's recall @GavinNewsom and elect a businessman with a record of achieving results. Read my plan: <https://t.co/8P64IvcO4v> <https://t.co/00nscDvFJR>

ONE WEEK until we recall @GavinNewsom and save this state! I'm on my way to Modesto to kick off my statewide bus tour and get out the vote. Help us spread the word by sharing this graphic and encouraging your friends to vote. #CAGov #RecallNewsom <https://t.co/T9FHmbBNhZ>

.@GavinNewsom has spent billions on homelessness and the problem has only gotten worse. I'm the only candidate with a plan that focuses on solutions that address the root cause of homelessness and offer a long-term solution. <https://t.co/nLniryMuDW>

Spoke with a woman today that said she had "given up" on the dream of buying a house in California. That's unacceptable. We can and will make California more affordable on my watch. I told her help is on the way. #CAGov

There's nothing more Californian than In-N-Out Burger. Great lunch today in #Fresno. If .@GavinNewsom is nervous debating me on CA issues - maybe a friendly Double Double vs Caviar joust? <https://t.co/pEHqhb8jD3>

Gavin Newsom talks about courage for a change. But its all talk. Real change takes the courage to vote for someone new. #HelpsOnTheWay #Ad #CAGov #JohnCox

I want to thank all my friends, supporters, and those that voted for me. We came up short, but I'm proud of our effort & focus on the issues. The sun rose this morning, as it always does in California and we live to fight again another day. God bless!

So sad to see fires in Paradise and Chico area. Prayers are with them. Acting Gov Newsom true to form blames climate change instead of calling for more and better forest management. A small fire turned into an inferno due to failure to clear brush and dead trees.
