We need a governor who has the will to confront the many problems facing our state. That's what I will bring to the table when I am elected. #RecallGavinNewsom <https://t.co/2DYapaBMaL>

I sat down with @NBCLA to talk about how I plan to make California more affordable for middle class families. We need permanent tax relief. That will be a top priority when I am governor. <https://t.co/qYNWAYtjGd>

As a parent I'm appalled that last night our governor signed a law maintaining a 24-year-old can have sex with a 14-year-old and it not be considered predatory. An adult who commits ANY sex act on a minor 10 years younger must be registered a sex offender. Law must be changed.

His kids can learn in person. But yours can't. He can celebrate birthday parties. But you can't. He can dine on a \$350 meal at one California's fanciest restaurants during the worst recession in generations. But you definitely can't. Can you believe this? I can't. <https://t.co/lmRBWh9rpS>

No, police officers and fire fighters will NOT be cut first — at least not in San Diego. I would never hold out first responders as leverage to balance my budget. <https://t.co/FPfwJfWfbj>

Great news: the Governor heard us. San Diego beaches WILL STAY OPEN under our plan approved by lifeguards and health officials. In a time of great crisis we don't need knee-jerk policies. We need to keep a steady hand. It's the only way to keep the public's trust. Keep it up, SD!

It's a new year. We need a new governor. Jobs are leaving, homelessness is skyrocketing, and the state can't even issue unemployment checks to people struggling right now to get by. California is better than this. Join me in signing the recall petition. <https://t.co/KZ5NB1ABDW>

Kids should never have to live on the streets, especially during a pandemic. San Diego took an old motel, rehabilitated it, and during #COVID19 will use it to help homeless families and children stay safe. Thank you @MaraWELLIott for your partnership. <https://t.co/vSbK8Tgago>

Our small businesses aren't being treated fairly. Restaurants made good faith efforts to comply with COVID rules. Now the rules are changing once again. If the Governor shuts restaurants down, it's only right the state compensates them for the costs incurred moving outdoors.
